

## Board of Directors

A newly formed, non-profit, 501c3 animal welfare organization is seeking a Board of Directors to oversee privatization of a municipal animal shelter in NY.  
This is a non-paid position.

Annual Budget: \$2M

Staff: 22 F/T; 16 P/T

Volunteers: 15+

Shelter Capacity: 150+ animals

Your background should include experience/expertise in one or more of the following:

- Animal Welfare
- Business
- Finance
- Fund Raising/Philanthropy/Non-Profit
- Law
- Marketing/Technology
- Veterinary Medicine

Candidates must possess leadership qualities and a strong interest in the organization's mission of animal welfare. Our mission is to expand services, improve quality of care, reduce taxpayer costs and address the root cause of animal overpopulation, neglect and abuse.

Your responsibilities will include:

- develop and implement strategies to obtain organizational objectives
- mentor staff as needed in areas of your expertise
- support efforts to raise money and awareness
- attend quarterly meetings

This is a unique opportunity to participate in the trend to transform the existing municipal animal shelter model into a progressive 21<sup>st</sup> Century enterprise that addresses animal abuse, neglect and homelessness, in an effective and humane manner.
